ROSS

Everyone remember this isn't just another party; this one goes out to my roommate Zeke, who's moving to California to play with computer shit all day.

ZEKE

Screw you!

ROSS

Come here you nerd. *(ROSS pulls ZEKE up from the crowd).*

ZEKE

Ah watch my hair dude.

ROSS

JK love you brah. Zeke, I don't know how this place will get by without my number one bro.

ZEKE

Oh, stop!

CASS

OK, lovebirds. Zeke, your gift!

ZEKE

Right! Bro. In honor of my departure, I have prepared a little gift for you. Cass helped.

CASS

Yeah I'm gonna go ahead and say you can have the credit for this one. Should I give you two a room?

ZEKE

Haha...NOOO...we're not shy. Anyway...

ZEKE runs offstage and comes back with something covered with a sheet.

So you won't miss me too much...

ZEKE pulls the sheet off, revealing a life-sized cardboard cutout of ZEKE and ROSS smiling and wearing kingly garb.

It's the picture from Medieval Times! Too much?

ROSS

Dude...I love it!!! Get over here (they start hugging, which goes on a little too long, then sort of poking/tickling each other)

CASS (*jumping onto the table too*)

Okie dokie isn't that special. Hey everyone, sorry in advance if you see these two making out in a corner somewhere tonight. Zeke, just remember I taught him everything he knows.

ZEKE

I think he could use some more lessons.

ROSS

You guys are the best. (*taking the chalice and raising it high*) Drink up everyone and let's give Zeke a K-Night To Remember! This ain't no ordinary party, this is a Ross Garth special! Crank the dogs up!!!
